## EDUCATION

**LaunchCode**, CodeCamp Programming Course — 2019

**Lewis & Clark Community College**, AAS, Paralegal Studies — 2014

**Lewis & Clark Community College**, AS, Associate in Science — 2013

## PROJECT EXPERIENCE

**Blogz** — LaunchCode CodeCamp 2019

- Developed and implemented a blog website with Python, Flask framework, Jinja2 templating, MAMP, SQLAlchemy, MySQL database, HTML5, CSS3, and Bootstrap.
- Utilized a database to store and display blog posts and user information

## WORK EXPERIENCE

**Office Administrator** — CalmWaters Counseling, Godfrey, IL

August 2018 - March 2019

- Developed and implemented monthly MailChimp newsletter and social media strategy utilizing HootSuite for Facebook, Twitter, and Instagram.
- Edited and finalized monthly blog posts for the practice.
- Implemented new filing system for enrollees in Employee Assistance Programs.
- Created and distributed monthly invoices, posted client payments, and communicated with clients and insurance companies regarding the same.

**Photographer** — Elizabeth French Photography, Alton, IL

March 2016 - March 2019

- Developed and implemented monthly MailChimp newsletter and social media strategy for Facebook and Instagram utilizing Planoly.
- Authored, edited, and published blog posts for each photography session.
- Utilized Adobe Creative Cloud Photoshop and Lightroom to color correct and retouch portraits.
- Consulted as a neutral servant-leader in a highly competitive market for high profile weddings.

**Paralegal** — HeplerBroom LLC, Edwardsville, IL

April 2014 - April 2016

- Advocated for and worked with paralegal manager to implement a new policy for paralegals to accompany attorneys to toxic tort hearings, and also successfully crafted a time entry for client billing for the same.
- Trained paralegals and secretaries on time billing entries, maintaining master case lists, medical notebooks, transcription, and interpreting legal documents.
